We will confirm space on desired trips only when we receive this completed and signed Trip Application along with your deposit payment.

For us to provide the most compatible groupings, it is important that you are as accurate as possible about your skiing or snowboarding level. Please take into account your physical conditioning, recent lessons, how often you ski, altitude acclimation and even aging! You may not be skiing at the same level as in past years. You'll want to ski at a level that doesn't pressure you, nor cause others in your group to wait. Please mark the level (one per traveler) closest to your ability. If you plan on snowboarding, please indicate this in the spaces provided. (See page 4 for skier level descriptions.)
